5. The pound-keeper or pound-keepers shall daily furnish all animals so impounded as aforesaid with good and sufficient food and water, and for so doing shall demand and receive, and be entitled to recover from the respective owners, or other person entitled to the possession of such animals, for the use of the Corporation the following allowances over and above the fees for impounding as hereinafter provided:—For every animal so impounded the sum of 30 cents per day.

14. Every person convicted of an infraction of any of the provisions of this by-law shall, in addition to any of the fees hereinbefore provided, forfeit and pay therefor a penalty of not exceeding \$50 exclusive of costs, to be recovered in the manner provided by section 81 of the "Municipal Clauses Act," or any then existing statutory modification thereof.

NANAIMO CITY BY-LAWS.

THE NANAIMO REAL ESTATE TAX SALE BY-LAW, 1898.

WHEREAS it is expedient that all lands or real property within the limits of the Corporation of the City of Nanaimo upon which municipal taxes have been due and in arrears for two years shall be sold, and the proceeds applied in the reduction of such taxes:

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nanaimo as follows:—

1. The Collector of the Municipal Council of the Corporation of the City of Nanaimo is hereby authorised and directed, whensoever taxes on any land or real property have been due for two years preceding the current year, to submit to the Mayor of the City of Nanaimo a list, in duplicate, of all the lands or real property liable under the provisions of this by-law to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Mayor shall authenticate such list by affixing thereto the seal of the Corporation and his signature; and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the land or real property for the arrears due thereon, with his costs.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands.

3. The Collector shall prepare a copy of the list of lands or real property to be sold, and shall include therein, in a separate column, a statement of the proportionate costs chargeable on each lot for advertising and for the commissions authorised by this by-law to be paid to him, and shall cause a copy of such list to be printed for a period of one month preceding the date of such intended sale in some newspaper published in the City of Nanaimo.

4. The advertisement shall contain a notification that, unless the arrears and costs are sooner paid, he will proceed to sell the lands or real property for the taxes on a day, a time and at a place named in the advertisement.

5. The Collector shall, at least two months before the time of sale, also deliver to or deposit in the post office to the address of the owner of such property which is to be sold for taxes as aforesaid, or to the agent of such owner, a notice in writing of the amount of taxes due, and that the property is to be sold for arrears so due; and in case the address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and also, at least two months before the time of sale, post a notice similar to the advertisement in some convenient and public place, that is to say, at the Council Chambers, Nanaimo.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on Sunday or holiday, in which case such sale shall take place on the following day, at the Council Chambers in the City of Nanaimo, and shall begin at twelve o'clock noon.

7. If at any time appointed for the sale of the lands or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such lands or real property for sale, it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall be prima facie evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than one week and not later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or real property for any sum he can realise, and shall accept such sum in full payment for such arrears of taxes.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

12. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.
